§ 4.21 Required delivery of pool Disclosure Document.

(a)(1) Subject to the provisions of paragraph (a)(2) of this section, each commodity pool operator registered or required to be registered under the Act must deliver or cause to be delivered to a prospective participant in a pool that it operates or intends to operate a Disclosure Document for the pool prepared in accordance with §§ 4.24 and 4.25 by no later than the time it delivers to the prospective participant a subscription agreement for the pool; *Provided*, That any information distributed in advance of the delivery of the Disclosure Document to a prospective participant is consistent with or amended by the information contained in the Disclosure Document and with the obligations of the commodity pool operator under the Act, the Commission's regulations issued thereunder, and the laws of any other applicable federal or state authority; *Provided, further*, That in the event such previously distributed information is amended by the Disclosure Document in any material respect, the prospective participant must be in receipt of the Disclosure Document at least 48 hours prior to its subscription being accepted by the pool operator.

(2) For the purpose of the Disclosure Document delivery requirement, including any offering memorandum delivered pursuant to § 4.7(b)(1) or 4.12(b)(2)(i), the term “prospective pool participant” does not include a commodity pool operated by a pool operator that is the same as, or that controls, is controlled by, or is under common control with, the pool operator of the offered pool.

(b) The commodity pool operator may not accept or receive funds, securities or other property from a prospective participant unless the pool operator first receives from the prospective participant an acknowledgment signed and dated by the prospective participant stating that the prospective par-

ticipant received a Disclosure Document for the pool. Where a Disclosure Document is delivered to a prospective pool participant by electronic means, in lieu of a manually signed and dated acknowledgment, the pool operator may establish receipt by electronic means that use a unique identifier to confirm the identity of the recipient of such Disclosure Document, *Provided, however*, That the requirement of § 4.23(a)(3) to retain the acknowledgment specified in this paragraph (b) applies equally to such substitute evidence of receipt, which must be retained either in hard copy form or in another form approved by the Commission.
